NEW LOCATION: This is a private homebased business. The address is disclosed upon booking and securing your appointment via the booking app.

Updates on Policies

Lateness: Please be respectful of my time, and the time of the person that is booked after you. If you are late three consecutive times, this means you do not value my time and will be dropped as a client.

Emergencies/Illness: I understand life happens. If you are sick or dealing with a genuine emergency, please let me know and I'll be happy to reschedule you to a later date without penalty.

Illness: Please stay home if you are ill and reschedule your appointment. The same goes for me!

Appointments: As I continue to build my business and my clientele keeps growing, appointments will start to become limited to night before or same day booking. Booking your appointments in advance would be wise to make sure you reserve your spot in my chair.

No Shows, last minute cancelations will result on a \$50 FEE. A card is required to secure your appointment. Your information is stored securely and will only be charged if the last minute cancellation/no-show policy applies.

Pedicure Policy

Feet and toenails must be free from any type of open wounds or infection. Feet that have any signs of an active infection must be examined by a podiatrist, most importantly, if Tinea Pedis is present, also known as athlete's foot, fresh opened wounds or plantar warts, I cannot provide service. Clients with any issues on their feet must visit their local foot doctor to be cleared for a pedicure service. Thank you for your understanding.

Regards,
